Week 1 – 15th October, 2018

Dear Parents and Caregivers,

Welcome back for term 4. There are many exciting things happening at Coutts Crossing Public School this term including Clubs, Swim School, Kindergarten Transition Program, K/1 and 3/4 excursions, Book Fair, Swimming Carnival and the Big River Public Schools Film Festival. Please keep an eye on the calendar in the newsletter for upcoming events.

Teachers will also be collecting and analysing student data in preparation for writing Semester 2 Student Reports. Please contact your child's teacher if you would like to discuss the assessment process or student progress.

Our wonderful Year 6 students will be raising money for their Year 6 farewell celebration and farewell gift for the school by hosting themed fundraisers throughout the term. These fundraisers will include a gold coin donation so please support our Year 6 students to make these days successful, while having fun and making memories as they enjoy their last precious days at primary school.

Musica Viva-

This Friday all students will attend a performance from Musica Viva, 'Water, Water, Everywhere'.

Musica Viva has been bringing the very best live music to Australian schools for over 35 years and is one of the leading providers of music education in Australia.

They specialise in bringing the best nationally and internationally acclaimed performers direct to schools: interactive, dynamic and culturally diverse groups that perform a wide variety of musical styles. The performances give students the opportunity to discover live music, in their own unique way. Musica Viva show 'Water Water Everywhere' features the Water Concerto by Tan Dun, arranged by Thea Rossen and Leigh Harrold, and performed by Thea Rossen (water percussion), Leigh Harrold (piano) and Luke Carbon (clarinet).

The concert is completely subsidised by the school so that all students can enjoy this special experience.

Updated tuckshop menu-

The tuckshop menu has been updated as of the start of Term 4 – see back page. The menu now includes juice and milk cups, with poppers no longer available. This is a Student Representative Council initiative to reduce packaging and waste in the school.
